St. Catharine's Athletic Board Parish Athletics Mission Statement

The Mission of Saint Catharine's Parish Athletics is founded on the belief that athletics provides and promotes the growth and value of the whole child. In this belief, athletics can be seen as an effective influence in the formation of our Catholic values for all God's children. Athletics promotes character traits of high value which will lead to success later in life. These include the commitment to take one's talents to the highest level of performance in all walks of life; embracing the discipline needed to reach these high standards; learning to work with others in the pursuit of a common goal; and adherence to codes of fair play, self-control and respect for all. Athletics also plays an important role in creating a sense of community within our parish while creating a positive environment in which others will wish to be a part of. For this vision to be carried out it is the responsibility of all participants, coaches and volunteers involved.

Core Values

1. Maintain our responsibility to the parish, our teammates, and ourselves through individual accountability and commitment to effort, fair play and self-control.
2. Treat those around us with honor and represent the parish in an exemplary manner at all times.
3. Conduct ourselves and cooperate with others in a way that displays faith, integrity and loyalty.
